18th MAY, 2007**

**Auctioneer – Lord Shoreditch aka
Mr Steve Edge**

**Doors open at 6.00 p.m.
Auction starts at 7.00 p.m.**

General Rules

Prior Weston PTA makes no warranty or representation of any kind with respect to any items or services sold. Please inspect where possible.

Any values indicated for items being sold are estimates only and are not reserves.

All items must be paid for in full before the buyer's departure for the evening. Payment can be in cash or, preferably, cheque accompanied by a banker's card.

Services and other intangible items can be delivered through private arrangement between buyer and donor, at their mutual convenience.

All sales are final and there will be no exchange or refund on items.

Unless **OTHERWISE SPECIFIED, OR MUTUALLY AGREED** all auctioned services must be used within **THREE MONTHS OF THE AUCTION DATE**, the date and times may vary if other arrangements are made between the buyer and seller at their mutual convenience.

Live Auction Rules

It is the bidder's responsibility to ensure that the auctioneer sees their bid. The highest bidder acknowledged by the auctioneer shall be the purchaser. As each lot is sold, the auctioneer will ask the purchaser their name and number. In the event of any dispute, the auctioneer's decision shall be final.

At the fall of the auctioneer's gavel, title to the article passes to the highest bidder who thereupon assumes full risk and responsibility for the article.

Sealed Bids

If you cannot be present when an item is live auctioned, you may wish to leave a sealed bid. To make a sealed bid, write your name, address, phone number, child's name and class followed by the lot number and description, together with the highest bid you are prepared to make. Put this in an envelope clearly marked 'Postal Bid'. Return this to the school office, or leave at the auctioneer's desk, on the evening.

Welcome to the 2007 Prior Weston Auction of Promises Catalogue.

This year we have been (almost) overwhelmed by the enthusiasm and energy which the majority of the school has put into offering and sourcing promises. There are over 180 fantastic 'lots' altogether which have been divided into three separate auctions.

We have an ART AUCTION this year with a really interesting group of works which we have decided to run purely as an internet sale. We have over £6,000 worth of bids on these artworks as I type, and there are more bids coming in everyday. If you want to view these pieces or the majority of the other lots in the auction visit the website www.priorwestonpta.com if you don't have a computer borrow a friends.

The extraordinary collection of 'lots' covers virtually everything you could imagine. You could kit yourself out with a whole new life by bidding and winning things on the following pages. So many new things to learn from juggling to walking the pedways of the city. Having life changing experiences in remote houses in the Isle of Skye or travelling the roads in a borrowed campervan. There are plenty of smaller lots that will be real bargains: from a new pink lipstick (super quality) won for a song to trying out reflexology for the first time.

All these remaining promises have been divided semi-randomly into the usual LIVE auction that we know so well from previous years and the new SILENT auction which is an experiment with its own set of rules. For those who get intimidated by bidding in the LIVE auction or for those who cannot come to the event on Friday or bid online, then this is a great way to be involved. For the rules of how to play this 'game' please see inside back cover. This will be running on Thursday (3.30 to 4.30pm) and Friday from 3.30 to 7pm when the auction will close.

The money raised in this auction will be a fantastic boost to the school as it prepares to move Prior Weston to its new permanent site.

Happy browsing and successful bidding!!
Oh... and thanks for everyone's hard work!
